THE MPLC APPOINTS NEW DIRECTOR

The MPLC is delighted to announce the appointment of Matthew Sawyer as Director with effect from 1st January 2009.

Matthew joined The MPLC in 2003 and as a member of the Underwriting team has held a variety of positions, allowing him to develop a wealth of knowledge and experience in the highly specialised insurance class of Medical Malpractice.

Matthew commented *“I am delighted to be part of this professional and inspiring group of people. Since I joined the company I have been encouraged by all members of the team; this directorship, although challenging, is certainly an accolade, but is much more a recognition of the training and support I have received. I look forward to being able to repay this trust by making my own contribution to the growth and success of The MPLC.”*

John Young, Managing Director stated:

“Matthew has developed a deep understanding of Medical Malpractice issues and this coupled with his strong customer focus means The MPLC is now even better placed to differentiate itself through superior customer service and the offering of innovative and flexible underwriting solutions. Matthew has a growing reputation in the medical insurance world and we are delighted that he has agreed to join the Board of The MPLC.”
